SANDAG Grant Programs: Quarterly Status Update

Overview

The [TransNet Extension Ordinance and Expenditure Plan](#) provides funding for various competitive regional grant programs available to local jurisdictions, transit agencies, and nonprofit organizations that help implement the Regional Plan. The Regional Planning Committee (RPC) has oversight over two TransNet grant programs: [the Environmental Mitigation Program Land Management Grant Program \(EMP LMG\)](#) and the [Smart Growth Incentive Program \(SGIP\)](#). Additionally, RPC reviews the [Housing Acceleration Program \(HAP\)](#), which provides funding from the California Department of Housing and Community Development's (HCD) Regional Early Action Planning (REAP) program.

Key Considerations

The Grant Programs Performance Measures Report (Attachment 1) highlights grant project status changes during the reporting period (April 1, 2025 – June 30, 2025), including performance data, project accomplishments, and the Watch List.

Next Steps

The next quarterly status update on grant programs will be provided to the RPC in the spring of 2026.
