Subject: SANDAG Minivan Grant Declinations by Noah Homes

Dear Mrs. Vazquez:

On behalf of Noah Homes, I wish to express my sincere thanks for the generous award from SANDAG's Cycle 13 STGP Call for Projects for the purchase of four new electric vans. After due diligence and consideration with our Legal Counsel, Noah Homes and its Leadership Team have determined that the program's 20-hour average weekly vehicle service hour minimum would be difficult, if not impossible for us to achieve given our agency's population size.

For this reason, we have decided to decline all four vehicle awards. We appreciate that SANDAG strives to hold grantees accountable to vehicle operation to ensure assets benefit the target population. We take this responsibility very seriously and want to be a part of SANDAG's success in the future.

Thank you for your consideration of our bid proposal. Because of the reasons set forth above, we must decline all four vehicle grants.

We wish you continued success with all your grantees in this program.

Sincerely,
